## Australian Lesbian and Gay History A Bibliography

1999

This bibliography is a list of writings about the history of same-sex desire and activity in Australia. It is not a listing of sources, but of books, articles, chapters, theses, films, etc., that deal with historical events. 'Historical' is, of course, somewhat subjective; so, too, is a distinction between sources and history-writing.

We would like to hear from people who have items that should be included. Please email [algarchives@hotmail.com](mailto:algarchives@hotmail.com) with any suggestions.

This list has three sections:

- [Research resources](#)
- [Unpublished material](#)
- [Books and articles](#)
