

29 December 2015

Dear friends,

This is the fourteenth edition of the periodicals list of the Australian Lesbian and Gay Archives, and includes all periodicals held in the collection at 29 December 2015.

The first edition in 1985 contained 234 titles. The collection now consists of 1832 titles and over 40,000 items (bound volumes alone account for over 11,500 issues). Newly listed titles since the thirteenth edition at 9 December 2014 are marked with ♣, of which there are 69.

Work on the periodicals collection in the past year includes more indexing by volunteers Ardy (*Lesbian News*), Roz, Jasmine and Caitlin (*LOTL*), Anton (*Campaign*), Lee (*Libertine*) and Alan (*Brother Sister*); duplicates admin by Anton; an audit of Australian periodicals by Steve; and collecting of new titles and filling of gaps by committee member Nick Henderson.

Indexed titles are listed at <http://www.alga.org.au/files/indexedperiodicals.pdf> There is a chronology of longer-running Australian periodicals at <http://www.alga.org.au/files/periodicalschronology.pdf>

Although groups are increasingly publishing newsletters online, for archival purposes the paper record remains our preferred medium (the known longevity of paper vs magnetic media, changing electronic formats and obsolete equipment posing difficulties over time). If we can obtain a searchable electronic version as well as hard copy that is ideal. Our resources are stretched to do this comprehensively and we greatly value the help of groups who give us both formats.

If there are online archives of titles in this list, and they are not mentioned in the list, please let us know.

ALGA keeps duplicates of a selection of titles, partly as a disaster recovery measure and also to enable off-site indexing by our volunteers and for ease of scanning.

### **Gaps in our collection**

At <http://www.alga.org.au/files/missingissues.pdf> there are lists of key missing issues in ALGA's periodicals collection – both first sets and in some cases, duplicate sets. If you're able to help complete ALGA's holdings– first sets or key duplicate sets - or introduce us to Australian GLBTI-themed periodicals that we don't hold at all but should, that would be great.

The Archives is an all-volunteer enterprise, our funding comes from membership and donations (tax deductible for \$2 or more) and the occasional fund-raiser or project grant. We don't have an acquisitions budget, and are indebted to many individuals and publishers who continue to send complimentary copies of their publications. Many have been doing this for decades. Thanks to all for continuing to support the Archives.
